

Example of bibliography style: aiaa

Sample citations

BibTeX has been selected for the bibliography choice in this shell document. One of the sample BibTeX databases included with SW has been selected and some citations added in the next sentence. This sentence refers to the article¹ in a collection, the article² in a proceedings, the article,³ the book,⁴ the booklet,⁵ and to the thesis.⁶ Combined citations like^{1,3} may have special appearance. The bibliography section for these citations comes next.
