

Example of bibliography style: elsart-num.bst

Sample citations

BIB_TE_X has been selected for the bibliography choice in this shell document. One of the sample BIB_TE_X databases included with *SWP/SW* has been selected and some citations added in the next sentence. This sentence refers to the article [1] in a collection, the article [2] in a proceedings, the article [3], the book [4] and [5], the booklet [6], and to the thesis [7]. Combined citations like [1,3] may have special appearance [8]. The bibliography section for these citations comes next.
