

Example of bibliography style: phjcp

Sample citations

BIB_TE_X has been selected for the bibliography choice in this shell document. One of the sample BIB_TE_X databases included with SWP/SW has been selected and some citations added in the next sentence. This sentence refers to the article [1] in a collection, the article [2] in a proceedings, the article [3], the book [4], the booklet [5], and to the thesis [6]. Combined citations like [1, 3] may have special appearance. The bibliography section for these citations comes next.
