

Example of bibliography style: `apsrev`

Sample citations

Bib \TeX has been selected for the bibliography choice in this shell document. One of the sample Bib \TeX databases included with *SWP/SW* has been selected and some citations added in the next sentence. This sentence refers to a book [1], the article [2], a chapter or article in a book [3], another book [4], and a final chapter in a book [5]. Combined citations like [3, 6] may have special appearance. The bibliography section for these citations comes next.
